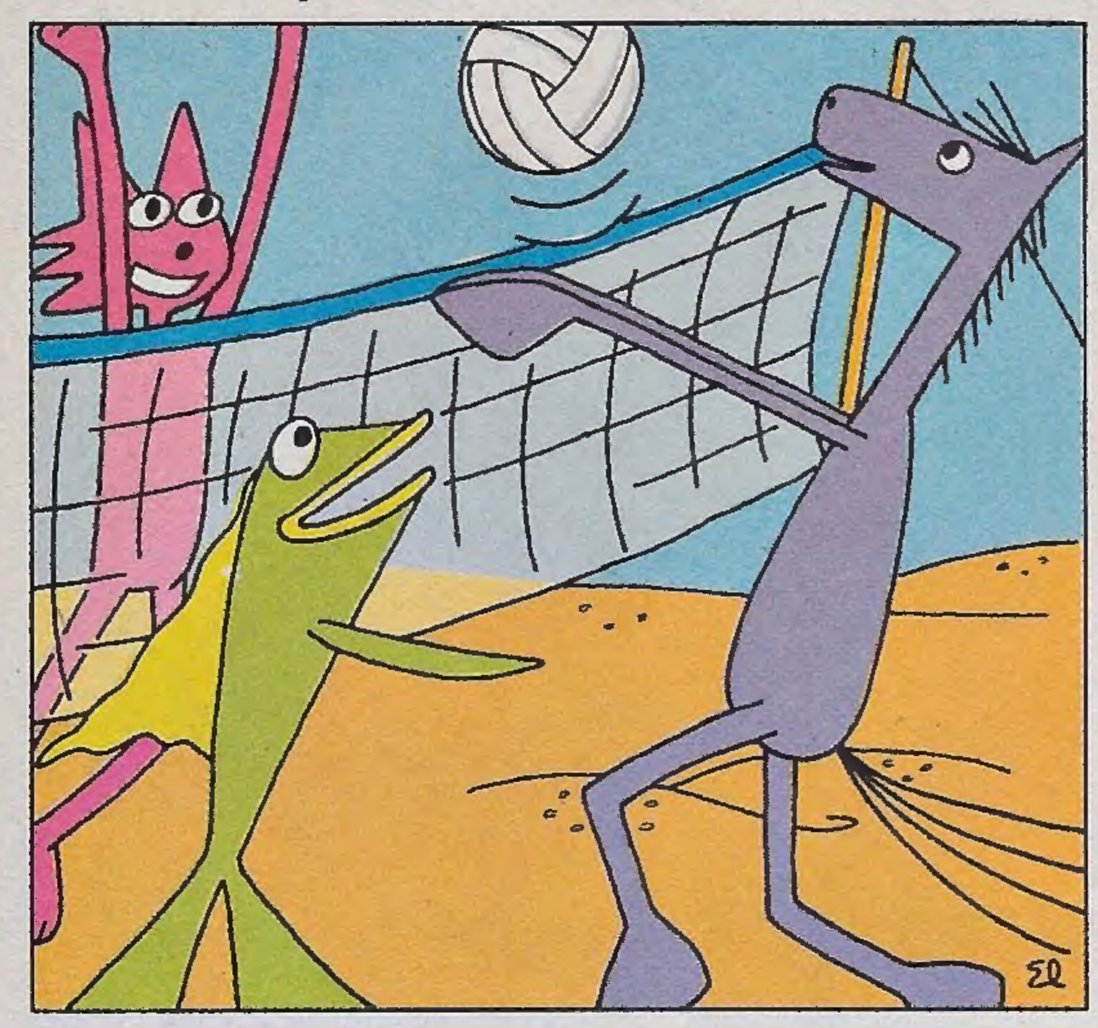
Volleyball

Volleyball was invented about one hundred years ago in Massachusetts. It's a simple idea, but it can be really fun. Beach volleyball is different from indoor volleyball because in beach volleyball you have fewer players. You can either bump, set or spike. The only way you can score is if your team is serving and you (or a team member) hits the ball on the ground on the other players' side. The dividing line between the two teams is a big net. If the other team (when your team has served) hits the ball on your side and it lands on the floor, they don't get a point, but they get to serve.



Volleyball was an Olympic game in 1964 and still is. If you have ever played volleyball, then you know how much fun it is!

Elephants

Elephants are the largest land animals in the world. They may tower 10 or 11 feet at the shoulder. They weigh 5 or 6 tons. Elephants possess enormous strength. They are highly intelligent and adaptable. They have been tamed by man for thousands of years. They have good memories. They don't usually forget a trick or command once they've learned it. There's no other animal like an elephant!

EDITOR'S NOTEBOOK

Dear Archie Readers,

If you're a Sabrina fan, hold onto your hat, if you don't wear a hat, then hold on to your seat... do I have news for you. Recently, I attended the annual Toy Fair in New York City. Thanks to the phenomenal success of the Sabrina TV Show, Hasbro Toys is scheduled to release a full line of Sabrina fashion dolls and accessories in July 1997. Two of the items that really impressed me were the Sabrina doll that can levitate from her bed while sleeping and Salem, the talking cat.

There will also be Sabrina games, paperback books, clothing, and mucho TV shows planned with superstar guests. Here at Archie comics our editorial plan is to produce a Sabrina comic every month, and possibly some giant-sized specials throughout the year. How about a "Dear Sabrina" column? She'll give you *magical* advice. Write to: Dear Sabrina, Archie Comic Publications, Inc., P.O. Box 419, Mamaroneck, NY 10543-0419.

Speaking of the Sabrina comic, be sure to catch the exciting conclusion of "Egypt ya Good" in issue #3 July, on sale next month. Just to refresh your memory, Sabrina needed some help to pass her history class so she summoned Cleopatra from the past to help her. However, Cleo refused to return to ancient Egypt and has become a "royal pain." Not only that, but Sabrina has learned that if the Q of E does not go back, the world's history will change dramatically. Don't miss it!

Also, be sure to check out BETTY & VERONICA SPECTACULAR #24 JULY. Veronica decides to coordinate a school picnic. How many school picnics have you attended that featured caviar, silk sacks for the sack races and designer softball uniforms? The name of this story is "Life's No Picnic." You'll understand why once you've read this hilarious story. This issue is also on sale next month.

That's it for now. See ya next month.
